Columbia Welcomes Travis Jones as General Manager, Concrete Molds Division

VANCOUVER, WA (USA) – July 24, 2026 – Robert Gustine, Group President of Vancouver Operations, is pleased to announce the appointment of **Travis Jones** as **General Manager of Concrete Molds Division** effective 7/24/2026. In this role, Travis will lead our Molds Sales & Molds Engineering departments in alignment with our strategic plan and performance goals.

Travis comes from Innovative Manufacturing Design, a company he owned and ran serving Steel Manufacturing, Semiconductor, Aerospace, and Dept of Defense sectors. He has an extensive background in metal fabrication and processing, originally working for his grandfather as a machinist. He holds a B.S. in Mechanical Engineering from Oregon State.

In his new role, Travis will focus on aligning operations with company objectives and strategic initiatives, strengthening performance through sustainable growth and operational efficiency, and fostering greater collaboration across business units. He will also help accelerate innovation within Concrete Molds, working closely with Kevin Brown, President of Concrete Products; Mark MacDonald, President of Palletizer; and Jeff Inman, Director of Operations, as part of the Vancouver Leadership Team.
